The dance held at the West Road Hall on Friday last, by the West Saanich Women's Institute, was well attended and proved a success in every way. A Sidney orchestra supplied the music with Mrs. Patchell at the piano. As these dances seem to be popular just now, it has been arranged to hold another at an early date.

The occasion was a silver tea and card party, arranged to help augment the funds for the new Institute building, soon to be erected. A large percentage of members were present and many friends and campers also attended. Guessing contests, fortunetelling and bathing were among the pastimes enjoyed during the afternoon. Tea was served in the open, under the shade of the trees, and much merriment was caused at this time by the reading of tea cups by one of the ladies present. In the evening more guests arrived to take part in the card tournament. Many comments were heard from the visitors arriving at this time on the very gay spectacle the house presented with its Japanese lanterns. More

guessing contests were held in the evening and great fun and excitement was created the whole evening through. The card prizes were won by Miss Gladys Guy, Mrs. Freeland, Arthur Jaume and Mr. Malcolm Consolation, Mrs. Richardson, Miss Freeland, Mrs. Fox and Mr. Grant. A generous sum for the building fund was realized.

Field Day Was
Huge Success

(Review Correspondent)
PATRICIA BAY, Aug. 29.—The field day, which was held on Aug. 23 at the Dominion Experimental Farm was a success in every respect. Mr. E. M. Straight, was in charge of the programme, which was carried out in a satisfactory manner.

Rev. Wm. Barton, formerly rector of the Anglican churches in this parish, but now residing at Royal Oak, was introduced by the chairman, and addressed those assembled. The title of the address was "My Experience in Farming." All who heard this very interesting and amusing talk will always remember his anecdotes on his corn and oaten tales (not tails). Rev. Mr. Barton spoke of the great assistance he had received through the Farm. His many former parishioners were very surprised but greatly pleased to welcome him and Mrs. Barton on this occasion.

The Union Church orchestra, of Sidney was in attendance. Mrs. Jas. Ramsay being in Vancouver, a substitute was secured in her place. A solo was rendered by Mrs. Jameson, of Victoria, entitled "Oh, Didn't It Rain!" which was very amusing. A solo was given by Miss Ella Blackburn, "Homeing," accompanied by her sister, Miss Edna Blackburn, on the piano. Dr. Frank, of Victoria, gave an interesting talk on "Bovine Tuberculosis," and illustrated his talk with a fine purebred Jersey belonging to the Farm. Pamphlets were at hand for those interested in the cause.

At the conclusion of this address, a very enjoyable selection was given by Mrs. Jameson, "Coming Thru the Rye." Another selection, "Bonnie Mary" was given by Miss McNaughton.

Mr. M. B. Jackson, M.P.P., speaker for Sidney, gave an address, his subject being "Home." Mr. Jackson warned his audience "My speech is going to be short, like a woman's dress; just long enough to cover the subject."

During the afternoon the Fifth Regiment Band, of Victoria, gave a number of excellent selections, which were thoroughly enjoyed by all.

On the grounds a tent supplied with fruit, grain, cereals, etc., was open for inspection. Mr. Marshall, of the Farm, explaining the various exhibits.

Demonstrations were also given in canning fruit.

A baseball match had been arranged to take place on the Farm grounds, but it was decided later to stage the game at the War Memorial Park, Sidney.

Hot water and milk was supplied by the Farm at tea time, and as the large number of visitors had brought with them the other necessities for a delightful supper, all enjoyed this portion of the day's outing. The Farm also supplied watermelon for supper, which was received with a great deal of pleasure. A bountiful supply of ice cream, donated by the Farm was thoroughly enjoyed by old and young.

At the conclusion of this important portion of the day, Mrs. Jameson sang very sweetly, "Annie Laurie," which was received with much applause.

The entire day proved one of the most enjoyable for all present, and Prof. Straight, superintendent of the Experimental Station, was the recipient of many congratulatory remarks for the splendid outing he had arranged.

Ganges Exhibition
September 13thA Number of New Sections Are Included in This
Year's Prize List; Record Entry List
is Anticipated

The Islands Agricultural Association will be holding their twenty-sixth annual exhibition on Wednesday, Sept. 3, at Ganges Harbor. A strong and attractive programme has been arranged and bids fair to rival, if not surpass, any of its pre-war predecessors.

Several new sections have been added and the horse section now includes two sections for light horses, one single horse, driven, and the other saddle horse, ridden.

It is hoped that these two sections will fill, in view of the special prize which has been offered by the Hudson's Bay Co., of Vancouver, for the exhibitor gaining the greatest number of first and second prizes in the four stock divisions.

A large entry of cattle is assured and competition this year is certain to be keen. Several herds in the process of accreditation will be strongly represented.

In Division IV there is now no section for graded pigs, only pure-bred Berkshires and Yorkshires being catered for. The Canadian Bank of Commerce is again offering a silver cup for the best sow in the show.

Poultry, of late years, has not been so strongly represented as might be expected from the number of breeders on the Island, but with no less than four special prizes in this Division, and a strong organizing committee, a showing more in line with the importance of the industry is to be looked for. All poultry will be judged from a utility point of view.

The spacious hall will be ready to receive a bumper number of exhibits and here again, in the fruit division, the British Columbia Nurseries Ltd., of Sardis, are offering two attractive special prizes, while Geo. T. Michell & Sons, of Victoria, have donated a cider press, which will be available for the use of all members on application to the secretary.

In the home cooking division two

well-known milling companies are offering their usual prizes for the best made loaf and, as usual, no doubt a large entry will fill this section.

A new feature in the Junior Department is the section for the best collection of postage stamps shown in book or album. This useful and instructive hobby deserves all encouragement and a good entry is expected. Mr. Holdcroft, a prominent philatelist, of Victoria, will be coming up especially to judge this exhibit.

An interesting division, which does not receive the support it should, is the photographic one, and the many local camera experts should help fill up this division, for the prizes are good.

Both Mr. J. T. Collins, of Salt Spring, and Mr. C. H. Smith & Son, of Victoria, are donating special prizes.

As to outside attractions, it should be noted that the Boys' Naval Brigade Band, of Victoria, has been specially engaged. This band, consisting of boys of 16 and under, has recently concluded a very successful tour of Vancouver and Seattle, and is very highly spoken of by all who have had the pleasure of listening to them.

A sports programme has also been arranged, including flat races, potato race, tug-of-war, etc., while the local football team will play a return match with Gabriola Island, the kick-off being timed for 3 p.m.

All intending exhibitors are requested to send in their entries as early as possible, and to make them as large as possible.

Plenty of exhibits and a fine day will see the twenty-sixth exhibition one of the most successful ever held.

The Island Princess is to make Ganges her first and last port of call and a special rate is being offered for the round trip.

Muir expects to return home this week.

Miss G. Muir and little cousin, Donnever Johnston, of Victoria, spent the week-end at their home here.

The North Saanich school will reopen next Tuesday, Sept. 5, on standard time.

Death of Rev.
Canon Paddon

(Review Correspondent)
GANGES HARBOR, Aug. 29.—A large number of people heard with sorrow of the death of the Rev. Canon Paddon, who died at Ganges on Monday morning, Aug. 28, after a week's illness, passing peacefully away at 3 p.m., thus ending a life of great usefulness. Rev. Canon W. F. L. Paddon has been vicar of the Gulf Islands Parish for many years. He was educated at Wadham College, Oxford, taking his degree of B. A. in 1867, was ordained deacon in 1868 by the Archbishop of Canterbury for the Colonies, and priest by the Bishop of Tuam in 1870. In 1887 he was appointed Prebendary of Kilmee in Tuam Cathedral. Canon Paddon came to this diocese in 1889. For many years he rendered valuable service under a general license, and in 1906 he was appointed incumbent of Mayne Island. In 1912 he became vicar of Gulf Islands parish, which he resigned May 31 of the present year.

He leaves to mourn his loss a wife, seven sons and three daughters, a number of whom were present at his death bed. The eldest daughter is the wife of Admiral Baker and lives in England. Another daughter is Mrs. Macfadyen. Another daughter, Miss Paddon, is on her way to Canada from England. The sons are George, Frank, Mayo, Charles, John, Edward and Waddon Paddon.

Since Canon Paddon began his ministry here, churches have been built at Mayne Island and Pender Island, and a Mission Room at Galliano Island.

The funeral will take place at Mayne Island on Tuesday morning.

We extend our sincerest sympathy to the bereaved family.

Mr. John and Bob Collins are camping at Vesuvius, spending most of their time fishing.

A spectacular fire was seen when Mr. Churchill set fire to his slashings. The wind began to blow very heavily shortly after the fire was started, and for a time it looked as though the fire would get beyond control, but quite a number of men turned out, with the result that the only damage done was the destruction of a part of Mr. Scott's fence. About 8 o'clock in the evening when the fire was at its height, it was a thrilling sight to see the red tongues of flame dancing and leaping and suddenly rushing to the tops of the tallest trees, with a crackle and roar that could be heard for half a mile. A few minutes later the stately giant would topple over, blazing, throwing up huge showers of sparks, striking the ground with a thud that fairly shook the earth. Mr. Churchill's stables at the logging camp were burned and a small shack was only saved by having water poured on the roof. Mr. Churchill had his face badly scorched during the fire-fighting operations.

Strength

Strength of muscle does not indicate strength of nerves. On this account many people who look healthy enough suffer from nervous troubles and cannot understand what is ailing them. Sleeplessness and irritability are among the early symptoms. Indigestion and tired feelings soon follow.

Read this letter from an Ontario man:

Mr. W. L. Gregory, Charles St. E., Ingersoll, Ont., writes:

"I had been troubled for quite a while with indigestion. At times there would be a twitching of the nerves of my stomach, and I also found it difficult to get a good night's sleep. I am a moulder, and owing to the nature of my work my system became run-down. I took a treatment of Dr. Chase's Nerve Food, and found great benefit from this medicine. They did me a great deal of good. I have not been bothered at all with indigestion since, and can sleep much better. I have recommended Dr. Chase's Nerve Food to many of my friends, as I think it splendid for anyone run-down and needing a tonic."

The Review

A lot of people are beginning to realize, is a newspaper that would do credit to a district having a far bigger population of enthusiastic people than the one which it covers. Of the very large number of weekly newspapers now published in the West it is doubtful that many, if any, publish the same amount of interesting and up-to-date reading matter as is found in these columns.

While it is almost impossible to obtain all the news of this large district, we are certain that we, through our large circle of excellent correspondents, obtain a very large proportion of it.

Our subscription price is only

Fulford Harbor Newsy Items

(Review Correspondent.)

FULFORD HARBOR, Aug. 28.—On the evening of Saturday, Aug. 19, an enjoyable party was given by Miss Mary Gyves at her home. Dancing, cards and games passed the time away very pleasantly. Those present were Mr. and Mrs. M. Gyves and two daughters, Mrs. E. Symington, Miss Winnie Hill, Miss Molly Akerman, Miss Eleanor Gropp, Miss Eliza Maxwell, Miss Dorothy Akerman, Miss Margaret Wagner, Miss Jean Hepburn, Miss Tilly Akerman, and Messrs. Wm. and Gerald Hamilton, Frank Downie, M. Lee, Art. Hepburn, Joe Peters, Bill Coopsie and Ernie Atkinson.

Last Wednesday the local baseball team invaded Sidney and locked horns with the team there in the fourth match for the Jackson trophy. They were, however, repulsed by a score of 9 to 5. Fulford lost the game during the first three innings at the end of which they had 8 of the 9 runs against them. The team was composed of G. Hamilton, W. Cearley, A. Maxwell, Isherwood, W. Douglas, Brenton, Downie, Gyves and Peters. G. Hamilton pitched the first three frames, after which Downie took the mound. This leaves the series a tie to date, with a score of 2 to 2. After the game the local team was entertained to a short dance and a supper.

Messrs. P. Horel and R. Hepburn returned Monday from an eight-day holiday, during which they visited Victoria and Vancouver and motored up Vancouver Island as far as Great Central Lake.

Major Justice and family left last week on a motoring tour of Vancouver Island.

On Friday evening a number of friends gave a surprise dance at the home of Mr. and Mrs. A. Ruckle, of Beaver Point. Some 20 people were present and enjoyed themselves thoroughly. They were Mrs. Henry Ruckle and Gordon Ruckle, Mrs. R. Maxwell, Miss Beulah and Miss W. Maxwell, Mr. and Mrs. McDonald, Mr. A. Bings, Mrs. W. D. Patterson and son, Mr. and Mrs. King and the Misses Hazel and Vera King, Miss E. Gropp, Miss Mary Hepburn and Miss Jean Hepburn and Messrs. Pyatt, Murray McLennan, P. Horel, R. Hepburn and T. Isherwood.

Mrs. Morris, Mrs. R. Branley, Mrs. P. A. Hawks, Mr. and Mrs. A. E. Smith and Capt. Swan, all of Victoria, and Dr. and Mrs. Fletcher, Mr. D. McKay and Mr. A. A. Overend, of Vancouver, recently registered at the White House.

Messrs. Lew Peters and Walter Cearley have returned from fishing up the west coast.

Mr. E. Lumley got his face and hands rather badly burned when some gas fumes on board his launch ignited from a lantern.

Mr. D. Lumley has returned from the Skeena.

Mrs. Brawn and family, of Victoria, have been camping at Burgoyno Bay.

Mrs. E. Davis, of New Westminster, spent the week-end at the home of her relatives, Mr. and Mrs. J. Hepburn, of Beaver Point.

Miss Dorothy Akerman left today to train for a nurse at St. Joseph's hospital, Victoria.

Mrs. Irwin and her son, Ronald, left for Vancouver today after visiting Mrs. Edwards for some time.

Mr. E. Symington joined his wife here on Monday at the home of her parents, Mr. and Mrs. T. H. Lee. They left today for their home in Moose Jaw.

Mr. and Mrs. McDonnell, of Vancouver, have been visiting Mr. and Mrs. R. Maxwell at Burgoyno Bay.

Mr. Joe Peters has procured a saxophone and is audibly engaged in mastering it.

The Auditorium re-opens Sept. 8.

ADVERTISING PAYS

The merchant who does not advertise is as far behind the times as the old-time stage coach. He plods along in the same old way, year after year, while the more progressive merchant places his wares before the public and increases his business year by year. Persistent advertising has made millions for many progressive merchants, who recognized the value of advertising from the first day they commenced business. The Review goes into almost every home in the district and is the proper medium for reaching the people.

Rude Rural Rhymes

ANTI-FAT.

If more of fat than lean and bone is found along your central zone you admit within your soul, if you should fall, that you would roll, think less of victuals, less of quiet and more of exercise and diet. Let me advise, in due proportions, the morning Walter Camp contortions. I've taught my uncle, aunt and cousins to take each day their daily dozen. But as the old hymn says of heaven, no other rule than this is given, that you must fight if you would win, deny yourself if you would be thin; cut out the sugar, starch and fat, the pumpkin pie and things like that. O brothers in this noble cause, pray work your limbs and not your jaws. O bald-head boys once young and nifty, who now are forty-odd and fifty, you should have gardens growing thrifty. Peel off your coats and prove your worth; cut off the inches from your girth by planting murphies in the earth. To give the work your system needs, between the rows sprout harmful weeds. Go get a hoe and roughly treat them; raise lots of spuds, but do not eat them. Great is the hoe and great its use to all fat men who would reduce. So grab the same and swing it thusly among the rag-weed and the pusley.

To Holders of Five Year 5 1/2 per cent Canada's Victory Bonds

Issued in 1917 and Maturing 1st December, 1922.

CONVERSION PROPOSALS

THE MINISTER OF FINANCE offers to holders of these bonds who desire to continue their investment in Dominion of Canada securities the privilege of exchanging the maturing bonds for new bonds bearing 5 1/2 per cent interest, payable half yearly, of either of the following classes:—

- Five year bonds, dated 1st November, 1922, to mature 1st November, 1927.
- Ten year bonds, dated 1st November, 1922, to mature 1st November, 1932.

While the maturing bonds will carry interest to 1st December, 1922, the new bonds will commence to earn interest from 1st November, 1922, GIVING A BONUS OF A FULL MONTH'S INTEREST TO THOSE AVAILING THEMSELVES OF THE CONVERSION PRIVILEGE.

This offer is made to holders of the maturing bonds and is not open to other investors. The bonds to be issued under this proposal will be substantially of the same character as those which are maturing, except that the exemption from taxation does not apply to the new issue.

Holders of the maturing bonds who wish to avail themselves of this conversion privilege should take their bonds AS EARLY AS POSSIBLE, BUT NOT LATER THAN SEPTEMBER 30th, to a Branch of any Chartered Bank in Canada and receive in exchange an official receipt for the bonds surrendered, containing an undertaking to deliver the corresponding bonds of the new issue.

Holders of maturing fully registered bonds, interest payable by cheque from Ottawa, will receive their December 1 interest cheque as usual. Holders of coupon bonds will detach and retain the last unmatured coupon before surrendering the bond itself for conversion purposes.

The surrendered bonds will be forwarded by banks to the Minister of Finance at Ottawa, where they will be exchanged for bonds of the new issue, in fully registered, or coupon registered or coupon bearer form carrying interest payable 1st May and 1st November of each year of the duration of the loan, the first interest payment accruing and payable 1st May, 1923. Bonds of the new issue will be sent to the banks for delivery immediately after the receipt of the surrendered bonds.

SIDNEY TEAM LOST.

The Sidney baseball team had a practice game with the Victoria Steam Laundry team last evening, which proved one of the best games of the season, both teams doing fine work. Owing to the rain only six innings were played, giving the visitors a score of 4 to 3. Mike McClure did some fine work in the field. Had the weather been fair it's a sure thing the visitors would have had to do some tall playing to beat the home boys.
